424 Adjournment

The Chairman adjourned the meeting to allow public discussion. Oliver Hawkey advised that a Planning Application would shortly be published regarding a proposed wind turbine in St Minver Highland Parish. This was a courtesy visit to inform St Kew Parish Council of their intentions although it would not be visible from St Kew. The proposed turbine would be 50m high and 3 bladed, which should make it quiet. It would be 450m away from housing and the community would benefit from the revenue. A public meeting would be held shortly and councillors were welcome to have a site visit. A covering letter was given and questions were invited.

Mrs Hambly said that the grass and nettles in the Churchyard were not being cut into her garden. She had spoken to the contractor who said he was not aware that this was a part of the contract. Councillor Godden said that the contract was for the churchyard and not for the car park and it was debatable where the boundaries were, however the Councillors would view the area to see the problem

431 Speeding in Pendoggett (request from Annual Parish Meeting)

Cllr Gabriel said that she had been trying to get the speed limit of 40 mph reduced for many years and there had been speed checks, to no avail. Cllr Rowe remarked that she could not understand why a village with houses and children should have a 40 mph limit yet Whitecross, Wadebridge had a 30 mph limit when there were pavements and a wide road. The Clerk was instructed to write to Highways and request a portable flashing sign be installed to alleviate the problem.

432 Salt Bins

Cllr Godden said that he had seen suitable salt bins which could be put around the Parish in place of the bags and were lockable in the summer months. Cllr Parnell reported that a footpath sign had gone missing from Trelill and other Councillors said that others were broken or missing. The Footpath Committee will report these to Cornwall Council.

Cllr Rowe complained about the potholes still in situ on the A39. As the Clerk has already written about this it was suggested that an item be put in the Parish magazine asking as many as possible to report this on line, as it seems to be the quickest way of getting repairs done.

Cllr Wellington reported a faulty stile which the Footpath Committee will investigate. He also said that people were leaving gates open onto fields and it was agreed that this be mentioned in the Parish Magazine

Cllr R Godden had a complaint from a parishioner tending a grave when they were harassed by barking dogs. Cllr Davey will report this to the Church. He also reported a sign that could mean that the footpath from the Parish Hall to the school be closed if action was not taken. The Footpath
